2018-2019 SCHOOL YEAR

VC HS NEWSLETTER - SEPTEMBER 2018

ARTICLE # 1

It's that time again – the steep summer slide into another school year. Whether you are a freshmen walking into our doors for the first time or a senior returning for the last year, it's

time to purchase back to school supplies, gather uniforms and get into the “back to school” frame of mind!

On behalf of the staff at Vermilion Catholic High School, I am happy to welcome you to the 2018-2019 school year! We are looking forward to a productive partnership with you to ensure our students achieve their highest potential. A strong partnership with you will make a great difference in your child’s education. As partners, we share the responsibility for our

children's success and want you to know that we will do our very best to carry out our responsibilities.

You will soon receive a link to the VCHS Parent Student Handbook. Please take a moment and read the handbook in its entirety as it addresses the standards related to appropriate behavior for a safe and productive school year. We ask that you guide and support your student's learning by ensuring that they attend school daily and arrive on time ready for the day's experiences and that you expect them to succeed. Please inform us if your student needs additional support in any area or subject. If you have any questions regarding school policies, please feel free to contact me.
