Vermilion Catholic, a legacy of Mount Carmel

Foreword

The administration, faculty, and staff would like to take this opportunity to welcome you to Vermilion Catholic. The information in this student handbook is an outline of general rules and regulations. It is not all-inclusive; therefore, additions and deletions may occur during the school year with proper notification. The Vermilion Catholic administration, with the approval of the pastor, reserves the right to amend this handbook for a cause that, in their judgment, is just. If changes are made, all parents will be sent prompt notification. Please read it carefully. You will be held accountable for its contents.

Vermilion Catholic, a legacy of Mount Carmel admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the organization. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship programs, and other organization-administered programs.

Vermilion Catholic, a legacy of Mount Carmel, is an equal opportunity employer.

Parent Cooperation Statement

An integral part of the educational philosophy of Vermilion Catholic is the conviction that the school assists the parents/guardians in carrying out their primary responsibility of providing for the religious and secular education of their children. An ongoing positive working relationship between the parents/guardians and the school is critical to the success of the school and the students. As part of that working relationship, parents/guardians are expected to be involved as much as possible in the educational process, to refrain from conduct which thwarts the orderly administration and operation of the school, to support and participate in school activities, and to provide instruction to and set positive examples for their children both at home and in the community. While Vermilion Catholic encourages the constructive exchange of ideas, feedback and suggestions intended to foster the continued growth and improvement of the school, Vermilion Catholic is ultimately responsible for the orderly administration and operation of the school, including the policies and procedures implemented to achieve the school's goals. Vermilion Catholic reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school's administration that (1) a positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or (2) that the parents/guardians have failed to provide the support, assistance and example necessary for the religious and secular education to which each child is entitled. Furthermore, failure on the part of any student and/or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student's enrollment from the school.

About Us

Mission Statement

Vermilion Catholic, a legacy of Mount Carmel, EMPOWERS students to learn and serve Christ, ENGAGES students in a rigorous learning community, and guides students to EXCEL in an inclusive, opportunity-driven environment.

Our Motto: Empower, Engage, Excel; Through Christ, We Soar

Our Vision Statement

Enter to Learn Christ, Leave to Serve Christ

Belief Statements

1. Vermilion Catholic's staff, students, and parents establish comprehensive religious and academic standards and share the responsibility of advancing the school's mission.
2. Students are challenged to develop spiritually, personally, physically, and academically through curricular, extracurricular, and athletic activities.
3. Common goals and shared values, which honor the traditions of the Sisters of Our Lady of Mount Carmel, are part of our culture, community, and success.
4. The school provides a safe, caring, family-oriented environment with small class sizes that embrace diversity and inclusion.

School Crest

The Vermilion Catholic, a legacy of Mount Carmel, Crest was designed and created in 2021 by a VC teacher and artist, Erin Thomas. The VC crest represents the mission and goals of our school and the spirit of the unified Vermilion Catholic. From earliest known history, crests and coats of arms have been used to announce a family's place in the community, its allegiance to a leader, and it is also used as a mark of distinction and pride in the family's heritage. VC's crest is such an emblem.

THE EAGLE grounds the logo. In the Bible, the eagle is sometimes seen as a messenger from God. In Christian tradition, based on the New Testament, St. John the Evangelist is represented by an eagle. For that reason, he was chosen as our school patron, and the Screaming Eagle as our school mascot.

THE CROSS stands above the eagle. It represents our Catholic heritage and reminds us that our faith and our beliefs are part of all we do. The cross symbolizes both life and love, illustrating Christ's life-giving love poured out for us: *"...for God so loved the world that He sent his only Son..."*

VERMILION CATHOLIC

a legacy of Mount Carmel

THE CROWN honors the legacy of the Sisters of Mount Carmel, and represents the unity of our new school. It comes from the original Mount Carmel School crest, where it honored the Carmelite Order who founded Mount Carmel School in Vermilion Parish. It symbolizes our school community's devotion to the Blessed Mother as the Queen of Heaven and Earth.

School History

More than 120 years ago, the pastor of St. Mary Magdalen Catholic Church extended an invitation to Mother Theresa Chevrel, the foundress of the Sisters of Mount Carmel to send members of her order to begin a school in Abbeville, Louisiana. Father Alexander Mehault began preparations for a convent building using the lumber from a demolished old Catholic Church. The convent for the Sisters of Mount Carmel on the Place des Beaux Arts (now known as Vermilion Street) was completed in 1885. That same year, four sisters arrived in Abbeville and opened a school with a total enrollment of 40 girls. In 1889, boys were also allowed to attend Mount Carmel. Early tuition was \$1.00 per month.

The 20th century saw a strong growth with students in grades 1-12. Mount Carmel gained a reputation for religious development, academic excellence, athletic superiority, and civic pride. In 1940, through the efforts of the Sisters of Mount Carmel, the pastor of St. Mary Magdalen Church and numerous benefactors from Abbeville, a new building and gymnasium were erected right next to the old building. In 1947 Mother Mary Grace came to Mount Carmel as the new principal, and alongside Father LaFleur, Monsignor Paul Fusilier, and Monsignor Ignatius Martin, saw that the school was rapidly growing. In that same year Cabrini Hall was built, permitting the enrollment to increase by two hundred students.

In October of 1949, with the dream of a bigger and greater Mount Carmel School in mind, Mother Mary Grace signed the papers for the purchase of the land on which the present Mount Carmel School is located. By May of 1953, it was evident that the new school being constructed would not accommodate all the students applying for entry, so the old Cabrini Hall was moved from the site of the old school to the site of the new school. In July of 1953, Bishop Jeanmard blessed the cornerstone of the new school. In October of that same year, the dream came true as the new Mount Carmel opened its doors, at the present site, 405 Park Avenue, housing grades kindergarten through 12.

In the mid-1960s, the need to expand classrooms and overall space became necessary again. As expansion was examined, the idea of a new high school separate from Mt. Carmel was explored. Since it would be the only Catholic high school in Vermilion Parish, the name Vermilion Catholic High School was chosen and its doors opened in September 1967. Mount Carmel School continued to serve grades kindergarten through 8th.

Because of a need to accommodate an increase in enrollment, St. Mary Magdalen donated Mouton Hall to Mount Carmel. Under the direction of Monsignor Richard Mouton, the building was moved here in 1984 and housed preschool classes. St. Mary Magdalen's support illustrated the continued close relationship between Mount Carmel School and Vermilion Catholic High School.

Twenty-nine years later, in 1996, Vermilion Catholic High School was awarded the Presidential Blue Ribbon Schools of Excellence Award from the United States Department of Education. This distinction confirmed the school's goal of providing high school students of Vermilion Parish a quality Catholic education.

VERMILION CATHOLIC

a legacy of Mount Carmel

In 2008, Vermilion Catholic was again recognized for its academic excellence when the school received accreditation by the Southern Association of Colleges and Schools, which demonstrates a commitment to offer the best educational environment possible.

AdvancedEd and the Southern Association of Colleges and Schools Council on Accreditation awarded Vermilion Catholic a five year accreditation again in 2015, marking the quality of Vermilion Catholic's commitment to educational excellence.

In 2021 Vermilion Catholic acquired and integrated Mount Carmel School of Abbeville, forming the only Pre-Kindergarten 3 through 12th grade Catholic School in the lower Acadiana region. The school was then renamed "Vermilion Catholic, a legacy of Mount Carmel."

Today, as we are moving through the 21st century, Vermilion Catholic High School is continuing its long and proud tradition of striving for excellence, and remains committed to continuing the vision and noble tradition of Carmelite education and spirituality.

Absences & Tardies

Attendance

Students are obligated to attend all PreK-12th grade classes every day school is in session (State attendance policy Bulletin 741) and to arrive at school on time. When a student has missed more than 5 days in any class in a 9 weeks, parents will be contacted by the Disciplinarian. Subsequent absences will require a parent meeting to address concerns and identify a plan of action. A student who misses more than nine (9) days in any class per semester (18 per year) cannot receive credit for courses taken. This policy applies to individual classes as well as whole school days. Exceptions are for extended absences due to serious illness or injury or extenuating circumstances as determined by the principal. Upper school students returning to school after an absence should report immediately to the receptionist window for an Absentee Slip.

Once a student misses 18 days of school, excluding doctors' excuses and/or a death in the immediate family, students may be denied credit for classes with excessive absences.

Morning drop off is from 7:00-7:30. Our tardy bell rings at 7:35. Students arriving after 7:35 must be checked in at the front office (see below). Dismissal begins at 2:45. All lower grade students remaining following the completion of the car line will automatically be sent to Carmel Care.

Absences

To ensure the smooth operation of Vermilion Catholic, it is imperative that students arrive at school on time. If a student is absent:

- When a student is absent from school, the parents must send an email to Amber Salsman for upper school or Michele Meaux for lower/middle school or call the school before 8:30 a.m. to report this matter.

VERMILION CATHOLIC

a legacy of Mount Carmel

- Upon the student's return to school following an absence, the student must either have an email sent to school or bring a note from the parents to the office with the date(s) of the absence(s).
- In Upper School, the student will be issued an admit slip which is to be presented to their first classroom teacher of the day for initialing. If a student does not have a written note from a parent or guardian, the absence will be unexcused.
- At the end of the day, the admit slip is to be returned to the office.

Makeup Work/Tests

Lower School

- All homework for grades K-5th will be collected by the homeroom class and will be placed at the receptionist desk by 2:00 p.m. Parents should come by 2:30 p.m. to pick up the homework.

Middle/Upper School

- For students in 6th – 12th, students are responsible for getting missed assignments from their teachers and completing the work within the assigned amount of time. Should the student not complete the work in the assigned amount of time, a grade of "0" will be recorded.
- Guidelines established in individual teacher's classroom procedures will be followed.
- Tests will be made up before school in the library at 7:00 a.m., during lunch, or after school under the direct supervision of their teacher.
- Violations of this policy may result in a grade of zero (0). Unexcused absences will result in the highest grade of a 70% on all missed class work and/or tests.

Extended absences and/or extenuating circumstances will be reviewed by the administration. For extended absences (2 to 6 days), parents may call the office before 9:00 a.m. to request that material be placed in the office for pick up after 1:00 p.m. on the following school day.

Timeline for Makeup Tests

- Students have the same number of days they were absent from school to make up their tests once they return to school. E.g. A student who misses two days of school has two days to complete any tests missed during that time.

Types of Absences

Unexcused

An unexcused absence is any absence not recognized as legitimate by the Administration. Unexcused absences count towards the total absences for the student's record. All work missed in this time must be made up. Makeup work for unexcused absences may also receive a penalty of up to 30% from the grade for that assignment.

Excused

An excused absence is one in which the student is absent for a legitimate reason as determined by the Administration. The student is allowed to make up all the work missed during the absence. Immediately upon his/her return to school, the **student** must make arrangements to complete missed classwork. **All**

VERMILION CATHOLIC

a legacy of Mount Carmel

excused absences are counted as part of the student's total attendance record as required by state attendance policies (Bulletin 741). The student must make up the assignments missed during the absence.

Educational

An educational absence is one in which the student is absent from regular classes to participate in a school-sponsored activity. Such absences are not counted as days absent from school, but the student must make up whatever assignments are missed. A student with an "F" in an academic or conduct grade in a class will not be excused from that class for an educational absence.

Extended

A student absent for an extended period must present a doctor's certificate to the Administration before being readmitted to class. Before being readmitted to school, a student who is absent ten days or more in a semester must be accompanied by at least one parent to discuss with the Administration the reason for the excessive absences. All extended absences are counted as part of the student's total attendance record as required by state attendance policies (Bulletin 741).

State Attendance Law

Information from a meeting for Non-Public Schools in the State of Louisiana. This meeting was hosted by the Department of Education. One of the topics discussed by the personnel from the Department was the change to Louisiana Law that now mandates that in order for a student to receive credit for the courses they take in they must be in attendance for at least the equivalent of 60 contact hours per semester per course. All absences reduce the number of contact hours. The state law does **not** recognize any difference between excused and unexcused absences as it pertains to the intent of this law. The **only** absences that do not affect the contact hours per semester per course are doctor's excuses or a death in the immediate family. This mandate only allows students to be absent for 18 days over the course of the school year.

Check In/Out Procedure

All parents or students checking in or checking out of school must sign the check in/check out log in the office. All requests for a student to be dismissed from school for a part of the school day **must be made in writing** to the school office by a parent at least 24 hours in advance. No phone calls will be accepted. If a student checks out during the school day without prior 24 hour notice, A PARENT/GUARDIAN MUST SIGN THEM OUT.

No student is to provide transportation to another student leaving school other than siblings, unless the parents explicitly grant written permission.

A student must be present for at least half of the school day (4 classes) in order to participate in any extracurricular or athletic activity scheduled that day.

Lower/Middle School

Students will not be allowed to check out after 2:15 p.m., except for illness or an emergency. In the event of an anticipated check-out, the parent/guardian should send a note that states the time of check-out and reason for leaving.

Request for Release from Instructional Time Form

If a student's parents know in advance of an upcoming absence due to a family related trip, personal reason, or college visit, parents should email administration for permission. The Request for Release form must contain the following: a signature from all teachers of classes that will be missed, a parent signature, and a reason for the absence. It must be turned in to administration at least three (3) days prior to the planned absence.

Instructional time is crucial to your child's academic success. Please make every effort to use the school holiday schedule in scheduling vacations. If your child will miss school during midterms or final exams, the administration must know at least two weeks in advance. Finals and Midterms will be given the week before the student is absent.

Tardiness

It is imperative that students arrive on time for every class and liturgical celebration.

Lower/Middle School

Students who are tardy must report to the Receptionist with a parent/guardian to receive a tardy slip before they report to their classroom. Upon the 5th unexcused tardy, a notice will be sent home; this will serve as a warning. Upon the 7th unexcused tardies, a formal meeting between the administration and the parents/guardians will be required to discuss the habitual tardiness. Habitual tardiness is in violation of the Louisiana Compulsory Attendance Law. Further violations of the tardy policy may result in additional action as deemed necessary by the administration.

Upper School

If a student is tardy for his/her first period class, he/she must report to the Receptionist to receive an admit slip. If the student is tardy for at least half of the time in a lesson, the tardy becomes an unexcused absence for that class. The teacher concerned will handle tardiness to any class other than 1st period. Only two (excused or unexcused) tardies are allowed per nine weeks period for 1st period. All subsequent tardies will receive a 7:00 am morning detention. Students in the parking lot at 7:34 am tardy bell will be identified as tardy. This report will be run periodically throughout 9 weeks - each tardy beyond the 2nd will qualify as a date of detention upon the running of those reports.

Student Pick-Up

If there are any changes to your student's normal pick-up procedure (i.e. not riding the bus, grandma picking up) please contact the school office **before 2:00**.

Car tags are made for all families and should be placed in the front window of your car when picking up students. These are created by the school. Please do not create your own tags or make copies of these tags. Additional tags are available on request.

All persons picking up must be listed on your student's pick up contacts. Individuals unfamiliar to the staff will be asked to pull out of the car line, present identification, and wait for parent/guardian

VERMILION CATHOLIC

confirmation before releasing the child(ren) to the individual.

Lower/Middle School

All students must be picked up by the completion of the carline. Any student left after carline is completed will be sent to Carmel Care, and the parent will be charged a one day drop in fee (\$15).

Upper School

All students must be picked up from school by 3:00 pm unless they are participating in an extracurricular activity and the moderator of that activity is present. Any students on campus after 3:15 without permission must leave the building and campus.

Academics

RenWeb/FACTS is an online comprehensive school administrative and student information system. VC uses ParentsWeb, a component of RenWeb, to improve the flow of information among administrators, parents, students, and teachers. Through this program, parents have the ability to access information such as student grades, attendance, homework, progress reports, quarter report cards, announcements, schedules, etc.

Academic Integrity

Students are expected to maintain the highest levels of honesty and integrity in all dealings with others, especially in the academic environment. Cheating, plagiarism, copying another student's work (homework, classwork, projects, essays, etc.), or having someone do the work for them are legal and moral offenses and academic dishonesty. Additionally, attempting to cheat is academic dishonesty, even if the attempt is discovered before the cheating occurs.

Examples of academic dishonesty include, but are not limited to:

- Communicating or attempting to communicate answers or hints during a test or exam
- Sharing questions with other students from other class sections after the assessment
- Copying or looking at another student's test responses during an assessment
- Using or having unauthorized materials (open notes, textbook, note cards, etc.) close by and accessible during a test or an assignment.
- Writing formulas, notes, etc. on one's person or on objects, for use during a test or exam
- Submitting the same paper/work to another teacher for credit (self-plagiarism).
- Using an unauthorized communication device during a test or exam
- Copying homework or any work that was assigned to be done independently
- Allowing others to copy one's work or providing another student with test/exam answers or one's assignment or paper
- When working in a group, having one person complete the work for all group members
- Taking words or ideas from someone else without giving proper attribution to the author/artist and source
- Utilizing any form of Artificial Intelligence (AI) on any assignment for which the use of AI is not explicitly permitted. [Turnitin.com](https://www.turnitin.com) is the official standard by which the school will judge unauthorized use of AI.

Consequences of Academic Dishonesty:

- A written referral to the Administration
- Receiving no credit (0% F) on the assignment or assessment
- If a student copied an assignment or received answers from another student, both papers will receive 0% F.
- The incident of academic dishonesty becomes a part of the student's permanent record.
- Administration will take into consideration a student's record of academic dishonesty when awards and scholarships are determined.

Academic Alert

- Students with an F average in a class and/or in conduct cannot leave school early for an extracurricular activity or field trip if such departure results in the student missing the class(es) in which he/she has an F.
- The student may leave school early for extracurricular activities once the F(s) has been brought up to a passing grade as reflected on either progress reports or term grades.
- It will be the responsibility of the proper sponsors, coaches, and/or administrators to inform both students and parents if students are unable to attend an event because of an F average.

Accelerated Reader

AR is a computer program that helps teachers and librarians manage and monitor a student's independent reading practice. Each student picks a book at his/her level as determined by STAR testing and reads at his/her own pace. When finished, the student takes a short quiz on the computer. A passing grade on the quiz is an indication that they comprehended what was read. AR gives students, teachers, and librarians feedback based on the quiz results, which the teacher then uses to help them set goals and direct ongoing reading practice.

Upper School Failures

Any student who fails a core course, including theology, is required to make up that course in summer school. If a student fails two or more courses, or does not make up required credits, he/she may be denied readmission or required to repeat the grade.

All students must earn one theology credit for each year of attendance at Vermilion Catholic. Any VC student who fails his/her Theology course for the year will be required to earn summer school credit using a recovery credit program during the summer under the direction of the Religion Administration. There will be a cost assessed to complete the course. Senior students who fail any course, including Theology, for the year will not receive a VC Diploma until the course recovery credit is earned and will not be able to participate in any school related graduation activity.

VERMILION CATHOLIC

The scholastic year is divided into four quarters. A student's grade for each quarter is based on multiple forms of assessment. In the computation of the student's quarter, semester and final grade, only the one-digit fraction of .5 or greater is automatically rounded to the next higher number.

- Semester grades for grades 8-12 are determined by averaging the two quarter numerical grades (80%) and the semester exam numerical grade (20%).
- The final grade in any course is the average of the two semester numerical grades.
- Midterms:
 - All 6th and 7th grade courses will administer midterm exams, but the midterm exam grade will be included in the student's 2nd quarter grade. 6th grade midterms will be worth 10% of the students' 2nd quarter grade. 7th grade midterms will be worth 15% of the students' 2nd quarter grade.
 - Students in grades PK-5th will not have midterm exams.
- Finals:
 - All 6th and 7th grade courses will administer final exams, but the final exam grade will be included in the student's 4th quarter grade. 6th grade finals will be worth 10% of the students' 4th quarter grade. 7th grade finals will be worth 15% of the students' 4th quarter grade.
 - Students in grades PK-5th will not have final exams.

A numerical average of 70% or better is required to receive credit for each course. Students who do not meet the attendance requirements will not receive credit for the course.

Grade Point Average

To determine GPA, divide the number of quality points by the number of credits.

Honor Roll & Principal's List

To achieve Honor Roll status, a student must receive only A and B grades. To achieve Principal's List status, a student must maintain all As.

Progress Reports/Failure Letters

Weekly Progress Reports will be emailed to parents from Rebweb/FACTS.

After the 2nd and 3rd quarter report cards, letters will be mailed to the parents of any student who is in danger of failing a subject for the year.

Rally Participation

Any student that has been selected and agrees to participate in District Rally must attend Rally and take the appropriate test unless excused by administration. If that student qualifies for the State Rally, the student is highly encouraged to attend. All students who attend State Rally will be exempt from their final exam in that subject based upon teacher approval.

Report Cards

Report cards are available to view at the end of each quarter via Renweb. Specific report card dates can be found in the school calendar. The master school calendar can be located via our school website at www.vermilioncatholic.com

Eligibility for Extracurricular Activities

Participation in extracurricular activities, whether it is sports, speech, drama, music, or other, is a privilege for our students, based on consistent academic performance. It is the intent of this school that all students perform at a higher standard. To that end, the policy on eligibility is guided by a desire to reinforce our commitment to academic performance.

All students who participate in extracurricular activities at Vermilion Catholic must be passing at least six (6) classes, with a grade of 2.0 or its equivalent. Students must be in good behavioral standing to participate in athletics or extracurricular activities.

The administration, in consultation with the Advisory Board, shall recommend procedures for enforcement of this policy in compliance with Louisiana Law, Louisiana High School Athletic Association (LHSAA) rules or any other organizations governing extracurricular organizations.

The above requirements are the minimum established by the school. Certain organizations and groups have established the following additional requirements:

- **Beta Club** **3.5 GPA**
- **National Honor Society** **3.7 GPA**
- **Cheerleaders and Dance Team** **2.0 GPA**

Upper School/Middle School Beta Club & National Honor Society Eligibility

A student that finishes their 5th grade year with a 3.5 GPA can be invited to join the VC Beta Club. A student that finishes with a 3.7 GPA in 9th grade can be invited to join the VC Upper School National Honor Society.

Students entering Vermilion Catholic (Grades 6th to 12th) or present students that have a 3.5 cumulative at the end of a school year can be invited to join Beta, and those with a 3.7 in 9th-12th grade can be invited to join NHS.

If a student's cumulative GPA falls below the 3.5 or 3.7 mark, they will be on probation with Beta/NHS for one year. Following the one year probation period, if a student has a 3.5 or 3.7, they will remain in good standing for Beta and/or NHS. If a student does not have the grade point average, the student can no longer be a part of the VC Beta and/or NHS club.

Branding & Fundraising

As a parochial, Catholic PK-12 co-educational school, Vermilion Catholic receives no funds from the Diocese of Lafayette but operates on tuition, donated services, and gifts from benefactors. Although tuition is the primary source of funding for the daily operation of Vermilion Catholic, it is the financial support of the alumni, present and former parents and grandparents, and other friends of VC that strengthens Vermilion Catholic for today's students and those yet to come.

Parent Event Obligations

May Festival

Vermilion Catholic is deeply rooted in family and tradition. Part of our wonderful tradition is the annual May Festival event which will be held on the first weekend in May. During May Festival

VERMILION CATHOLIC

a legacy of Mount Carmel

weekend, our entire school comes together to promote our school, share in family fun, and embrace our community.

The Advisory Board has adopted a policy with regard to sharing the work responsibilities for this weekend.

- Each family must provide an adult to work a two-hour shift for each registered student.
- If work or family obligations interfere with your mandated two-hour shift(s) for May Festival, parents may provide an adult replacement (**at least twenty-one years of age.**)
- If there is no replacement, or you do not sign up, or if you do not show up for your shift, families will be assessed a fee of \$500.00 per shift that is not worked. This fee will be drafted from your FACTS account accordingly.
- If you (or your worker) are more than 30 minutes late you will be charged \$250 per late shift, to your FACTS account accordingly.

May Festival worker schedules will be sent to you via email. An email will be sent allowing you to schedule your shift(s) on SignUpGenius.com on a first come first serve basis.

We want all families to take part in this Vermilion Catholic family event to raise funds for our precious school.

Athletic & Extracurricular Work Schedule

Our school benefits from the proceeds raised from these events. A form will be sent at the beginning of the school year with each sport and extracurricular. You may then choose three sports or events that you would prefer to work. As each sporting season or event nears, you will receive an email to sign up for your top choices. If you do not sign up and work an event, \$150 fee will be charged to your FACTS account at the end of the school year.

Only officially recognized departments, personnel, individuals and groups of VC are authorized to use the school's name or logo and only with prior approval from the VC Development Office. The trademarks of Vermilion Catholic may not be distorted, modified, or infringed upon in any way. Contact the Development Office prior to the design and/or planning of use of school identification on items such as but not limited to: publications, tee-shirts, websites, documents, letterhead, stickers, decals, or promotional items. General Policies & Procedures

Adjusted Schedules

On occasion the school schedule may be adjusted to accommodate special school or community events. This could include things such as funeral services, state level athletic playoffs, or other significant community events.

Aftercare

Carmel Care is the aftercare program started to help parents/guardians have a place for the students to go when they could not be here in time for dismissal. To register, contact ashleyboling@vermilioncatholic.com.

Allergies

Lower/Middle School

A conscious effort is being made to create an environment on campus that is safe for our students that suffer from severe allergies. Please be mindful that students may have food allergies, including peanut allergies.

Automobiles/Parking

Driving privileges for the regular school day to/from school are extended to students. Students parking a vehicle on campus must purchase a VC parking tag (\$25.00 per year) and must park in their designated spot. The school parking lot is absolutely off limits during the day. Parents must park in the marked visitor spots. Parents should not park in any numbered spot. Vehicles not registered for parking at VC may be towed at the owner's expense. Being a Catholic school, students should respect that inappropriate bumper stickers, signs, logos or other objects that may be offensive to others may be subject to disciplinary action that may include a loss of parking privileges until the offensive object is removed. Students are not allowed to have loud music coming from their vehicle. Music with inappropriate language is definitely not allowed. All students will be required to enter and exit through the front entrance. There is an expectation that once students arrive on campus and are parked in their assigned spots that they vacate their vehicle and enter the school building. Students are not allowed to loiter in their vehicles, failure to disembark from vehicles will be assessed an initial warning and then consequence for subsequent violations.

Announcements

Each day announcements are made for the entire school population. **Each student is expected to pay attention to the announcements.**

VERMILION CATHOLIC

a legacy of Mount Carmel

Assembly

From time to time the student body assembles to recognize achievements of fellow students or the achievements in co-curricular activities, to hear a guest speaker, or to enjoy the entertainment of a performing group. Each of these assemblies requires a formal setting. Any whistling, shouting, noise making, or talking is out of order. As reasonable and prudent people, in response to health concerns and safety, the use of hand held or personal air horns inside the Vermilion Catholic building either at games or other events is prohibited.

Athletic Events

Vermilion Catholic is a member of the Louisiana High School Athletic Association. The school adheres to the rules and regulations of that body. An important aspect of the athletic program is good sportsmanship. In Louisiana, the home team is responsible for sportsmanship and conduct at its events. A school is also responsible for the action of its students and fans away from home. Misconduct such as but not limited to: booing, fighting, obscene gestures, removing clothing or off-colored cheers will not be tolerated.

Birthday Treats

Birthday treats will only be allowed in grades Pre-K and Kindergarten. Birthdays at other grade levels can be acknowledged in class, and procedures will be determined by each classroom teacher. All treats should be nut-free.

Cafeteria

The Diocese of Lafayette, as the sponsoring agent, administers the Food and Nutrition Programs under the guidelines set forth by the State Department of Education and the United States Department of Agriculture.

- School policy requires that all students PreK-5th eat a cafeteria meal.
- For the 2026-2027 school year, please see the Diocese of Lafayette [website for lunch](#) information.
- Students are expected to conduct themselves in an orderly manner when entering the cafeteria. Students are expected to return their trays and clean up their space when they are finished eating.

Books

It is the responsibility of each student to care for his/her school issued textbooks. Books and other belongings are not to be left out of lockers on school property after school hours. Textbooks should not be jammed into lockers. If textbooks are left in the classrooms, all students must let the teacher know they are using them outside the classroom and show the teacher that they are using their assigned textbook. Access to online textbooks are provided to students in some classes. The passwords and access to these textbooks are granted to individual students and are not to be shared. If a student damages a textbook he/she will be charged a fine correlating to the damage assessment. Assessment of textbook damages are: \$10.00 for minor damage, \$50.00 for moderate damage, and total cost of the

VERMILION CATHOLIC

a legacy of Mount Carmel

textbook for severe damage. Students will be responsible for paying a replacement fee for any lost textbooks. Textbook fines must be paid before a student may take final exams.

Calls/Deliveries

During regular school hours, students may not make or receive telephone calls except for emergency situations. Parents who call in for their students or want to leave messages may do so with the understanding that students will not be taken out of class for phone calls unless it is an emergency and messages will not be delivered during class periods but will be delivered at appropriate times. All deliveries, such as flowers or balloons, must be made to the office. Students may pick them up after school. Parents bringing items to a student must bring the items to the office, and school personnel will present the items to the student at an appropriate time.

NO LUNCHES ARE ALLOWED TO BE DELIVERED TO STUDENTS.

Distribution of Printed Matter

No student is allowed to distribute any type of printed material on campus without the permission of the administration. This includes maps, invitations, pamphlets, or announcements. Posting signs and bulletins by the students must be approved by the principal and must be promptly removed after such activity by sponsoring groups.

Damage to School Property

Any student, who by his/her action causes damage to school property, is obliged to replace that property. Any act of vandalism against school property, the property of another school, or the property of any other member of the faculty, staff, or student body, either on or off campus, could result in severe corrective action including expulsion.

Emergency Drills

Unannounced emergency drills are held so that students may learn appropriate safety procedures. Signs are posted in each room indicating which exit is to be used in case of an emergency. School-wide threats will be turned over to the authorities, and any student found guilty will be expelled.

Food/Drinks

Federal rules prohibit access to the snack/drink machines prior to all being served at lunch. NO snacks/soft drinks may be purchased before lunch. All students bringing lunches from home or purchasing snacks/soft drinks must consume these items in the designated areas. Students are NOT allowed to have food delivered to them at school by anyone. Students are NOT allowed to bring in drinks from merchants in the morning. **Water is the only acceptable liquid to be brought into school in a container and the container has to be capable of being fully closed, leak proof, and absolutely no external straws. No food should be allowed in classrooms.**

VERMILION CATHOLIC

a legacy of Mount Carmel

Gum/Candy

Gum chewing in school is prohibited. This includes the auditorium, lunchroom, mall, student commons and especially Church. In addition, the eating of candy or other snacks in class is prohibited. After a warning, a Renweb behavior documentation may be completed. Chewing gum or eating anything during Mass breaks the eucharistic fast, which disqualifies that person from receiving communion at that Mass. It is also gravely disrespectful. For this reason, chewing gum, drinking anything other than water, or eating anything in Mass will result in an immediate detention on the first offense. Additional offenses will cause escalation in consequences.

Health Records

The Louisiana State Department of Health requires that all students have a current record of immunization on file. The cards may be obtained from the local health unit and require a doctor's signature or stamp of the department of health. Parents who fail to have the records made current may be asked to withdraw their children from Vermilion Catholic.

Illness

A student who becomes ill during the course of the school day is to report to the office. Should the Administrator determine that the student is too ill to remain at school, a parent will be notified.

Students should be fever free for a minimum of 24 hours and/or submit a doctor's note before returning to school after illness occurs.

Emergency Announcements

In case of an emergency where school may be called off due to dangerous weather or other circumstances, Vermilion Catholic will make decisions on school closures as early as possible. Students and parents should listen to the radio and/or TV for news reports concerning whether or not school will be open or closed (KATC, KLFY).

Lockers

Locker space is the property of Vermilion Catholic. It is not a solely private area for the student. He/she is urged to keep his/her personal belongings in the locker and to make certain that it is locked at all times. The student must assume all responsibility for the contents of the locker; the school is not liable for any losses that the student may incur. The Administration reserves the right to inspect lockers at any time.

Medication

Students may not have any form of pain relief or prescription in their possession. Students found in violation of this procedure are subject to expulsion.

VERMILION CATHOLIC

a legacy of Mount Carmel

- Over the counter

Vermilion Catholic is able to provide simple over the counter medication (such as Neosporin, Benadryl Cream, Tylenol, Ibuprofen, Pepto Bismol ...) to students with completed RenWeb consent. An email is sent home for your records each time medication is dispensed.

- Prescription

All prescribed medicine must be brought to the office by a parent, and the parent must complete a form. These medication forms are in the office. In addition the prescribing physician must complete a Medication Order form. All medication must be dispensed from the office. At the end of the school year, a parent must pick up all medication; otherwise, it will be discarded.

Messages

Only in cases of extreme emergency can school personnel interrupt classes to deliver messages to students. All messages concerning the pick-up of students at dismissal time must be given to the office by 1:00 p.m. No message is to be left on our automated phone service regarding student pick up; messages must be given to a person in the office.

Phone Calls Home

In order to make students responsible for their actions, students will not be permitted to call home if they forget gym bags, reports, homework, class projects, field trip forms, notes for after school activities, etc. An exception will be made in cases of medical emergencies or changes in school-sponsored activities.

Sexual Identity Policy

Vermilion Catholic, a legacy of Mount Carmel is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Roman Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Roman Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded and safe environments are fostered. When parents send their children to Roman Catholic schools and when persons choose careers in Roman Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Roman Catholic teachings on human sexuality are prohibited. The

VERMILION CATHOLIC

a legacy of Mount Carmel

full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

Any exception must be cleared with the administration prior to the date of the dance. As the students arrive at the dance, girls' purses and boys' coats are searched for contraband items. All students will be asked to submit to a Breathalyzer test. No eighth grade students and no persons over the age of 21 will be allowed to remain for the dance. For any student who purchases a ticket for a dance and does not attend the dance, the parents will be called to inform them that the student is not present.

Since we are a Catholic school and stress modesty in dress, it is mandatory that students attending any dance should be modestly dressed in keeping with good Christian morals. The following standardized tests will be administered to help determine progress and needs of students.

Grades	Test	Timeframe
3rd - 7th	Terra Nova	Spring
8th	Pre-ACT 8/9	Spring
9th	Pre-ACT 8/9 ACT	Fall Spring
10th	PreACT ACT	Fall Spring
11th	PSAT ACT	Fall Spring
12th	ACT	Fall

Lower/Middle School

Students will be given the TerraNova NEXT in Third to Seventh Grade. TerraNova NEXT is a proficiency based test in Reading, Language, and Math. It provides mastery scores on objectives aligned to National Standards and the College and Career Ready standards, and scores will align with previously administered tests (ACT Aspire) so we can continue to monitor student progress over grade levels.

The variety of assessments (Grades PreK-5), STAR Reading (Grades 6-8) and STAR Math (Grades 2-8) assessments are given five times throughout the school year to continually monitor student progression. These scores help administration and teachers to make data-driven decisions. The score reports help to clarify the student's performance, guide planning, and to analyze student and class progression in all subject matters. Students in 6th-8th will be given mid-term tests and final tests each year.

Vermilion Parish Pupil Appraisal Services

Pupil appraisal support services provided to Vermilion Catholic students, if the student qualifies through the Vermilion Parish School Board, may include the following: Individual evaluation by pupil appraisal: Speech Therapy, and/or TAG.

Family Educational Rights and Privacy Act of 1974

The Family Educational Rights and Privacy Act of 1974 is a federal law, which states that a written institutional policy must be established and that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the school will maintain the confidentiality of student education records.

Vermilion Catholic accords all the rights under the law to students and their parents. No one outside the school shall have access to nor will the school disclose any information from students' educational records, including records to officials of other institutions in which students seek to enroll, to persons or organizations providing students financial aid, or to accrediting agencies carrying out accrediting functions without the **written** consent of the student and his/her parent. Exceptions to this written consent include qualified personnel in the school, persons in compliance with a judicial order, and persons in an emergency in order to protect the health and safety of students or other persons, and to parents who present sufficient evidence that the student is dependent upon them for financial support. All of these exceptions are permitted under this act.

Within the Vermilion Catholic community, only those members, individually or collectively, acting in the students' educational interest are allowed access to student education records. These members include personnel in the Guidance Office, Administration Office, Business Office, Financial Aid Office, other academic personnel within the limitations of their need to know, the Vermilion Catholic attorney, designated law enforcement officials, corporate owner pastor and any other person deemed by the school as official.

At its discretion, Vermilion Catholic may provide directory information in accordance with the provisions of the Act. Directory information at Vermilion Catholic includes: student name, primary parent name, address(es), telephone number(s), and date of birth. Requests for non-disclosure will be honored by Vermilion Catholic for only one year; therefore, authorization to withhold directory information must be filed each year in the guidance office.

The law provides students with the right to inspect and review information contained in their education records, to challenge the contents of their education records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the appeals committee to be unacceptable.

Students may **not** inspect and review the following as outlined by the Act: financial information submitted by their parents; confidential letters and recommendations; employment or job placement, or education records containing information about more than one student, in which case Vermilion Catholic will permit access only to that part of the record which pertains to the inquiring student. Students may have copies made of their records with certain exceptions (e.g., a copy of the academic record for which a financial "hold" exists, or a transcript of an original or source document that exists elsewhere).

Any student who believes that his/her education records contain information that is inaccurate or misleading, or are otherwise in violation of his/her privacy or other rights may discuss his/her problems informally with the Vermilion Catholic guidance department. If the decisions are in agreement with the

VERMILION CATHOLIC

a legacy of Mount Carmel

student's request, the appropriate records will be amended. If the records will not be amended, the student will be notified within a reasonable period of time and will be given a reason. The student will then be informed of his/her right to appeal to the next higher authority.

Revisions and clarifications will be published as experience with the law and Vermilion Catholic's policy warrants.

Student Behavior

Code of Conduct

Vermilion Catholic conducts a Christian instructional program for all students. Therefore, when student misconduct occurs, the consequences will be treated in a Christian manner according to the offense committed.

Off Campus Code of Conduct

Student conduct off campus should reflect the culture, philosophy, policy, commitments, and goals set forth by Vermilion Catholic. Therefore any violations of the law and/or disruption of moral turpitude by the student could result in disciplinary measures by the school upon return to campus. This may extend to videos, posts, and social media content that is created, uploaded, or promoted by students off of campus.

Student Misconduct

- Any action by a student whereby the teacher's right to instruct or the right of other students to learn is interrupted or interfered with.
- When misconduct is of a serious nature whereby the student is sent to the administration, re-admission to class will be the decision of the teacher/administrator involved.
- Failure to adhere to school rules means the student is guilty of misconduct and may lose the privilege of attending Vermilion Catholic .
- Discipline Committee: Serious behavioral infractions can be referred to the Vermilion Catholic Discipline committee, which consists of the principal, assistant principal(s), school counselor, disciplinarian, and teacher(s). The committee will determine the severity of the conduct and the consequences assigned to the student.

VERMILION CATHOLIC

a legacy of Mount Carmel

Lower School Behavior

*All students with a discipline infraction must have either a Behavior Documentation in Renweb or communication sent home to parent/guardian to be signed. Classroom management and student behavior policies will be set by each classroom teacher. Teachers will review such policies periodically throughout the school year, and they will send those policies home at the beginning of the school year.

Upper/Middle School Behavior

*All students with a discipline infraction must have either a Behavior Documentation in Renweb or a written communication sent home to parent/guardian to be signed. Teachers will review such policies periodically throughout the school year, and they will send those policies home at the beginning of the school year.

There is an expectation that students, primarily 6-12, check their email daily in the event that they have received communications related to referrals or consequences. Teachers may elect to use conduct points as a classroom management strategy at their discretion.

The Vermilion Catholic discipline policy will be a system of levels as follows:

VERMILION CATHOLIC

a legacy of Mount Carmel

Detention Referrals From Teachers

Teachers will reserve the right to issue detentions to students who fail to observe specific behaviors outlined in the “Teacher Detention Referral” slips that will be issued each 9 weeks. These detentions should be documented in RenWeb by the teacher and students must have detention slips signed by parent/guardian acknowledging receipt of detention and consequence prior to serving detention.

Behavior Consequences

Major Behavior Consequences		
Detentions	• Morning, recess, and/or lunch detention will be for 30 minutes either before school, during recess, or during lunch. • School service detentions may occur before, after, or during school day depending on service that is mandated. Extracurriculars do not take precedence over consequences. • Any tardies for detentions will require an additional detention(s) served. • Failure to appear for a detention may require additional and potentially escalated consequences. Detention will be conducted and moderated by the faculty under the supervision of the administration.	
Saturday School	Students will report to school from 8:00 a.m. until 10:00 a.m. on an assigned Saturday under the supervision of an assigned faculty member. Failure to attend the assigned Saturday School will result in an Out of School Suspension the following Monday. The only excused absence for Saturday School will be a death in the family or illness with a doctor's excuse. Saturday School will then be reassigned to another Saturday.	
Out of School Suspension-	Suspension is the second most serious form of disciplinary action at Vermilion Catholic. It serves as a notice to the parents and student that the student is in jeopardy of being dismissed if the behavior continues. Students with an out of school suspension must remain off of school property for the entire period of the suspension and are counted absent. They are not allowed to participate in or attend any school-related activity, including school trips, for a length of time, pursuant to the number of days of the suspension.	*For a 1-day suspension, there will be a *1% deduction on their 9 weeks' grades and 2 days out from extracurricular activities beginning with day of suspension.

VERMILION CATHOLIC

a legacy of Mount Carmel

	A student serving an out of school suspension is allowed to make up tests with no penalty. The student is also allowed to make up certain assignments as determined by the teacher and the nature of the assignment. At the end of the quarter for upper school students, percentage points will be deducted* from the final numeric grade for each course the student takes, pursuant to the number of days of suspension. If an out of school suspension falls on a semester exam day, percentage points will be deducted from the most recent quarter average for each course, and the student will be required to take make-up exams on the assigned make-up exam days.	*For a 2-day suspension, there will be a *2% deduction on their 9 weeks' grades and 3 days out from extracurricular activities beginning with day of suspension * For a 3-day suspension, there will be a *3% deduction on their 9 weeks' grades and 1 week out from extracurricular activities beginning with day of suspension.
Dismissal / Expulsion	Dismissal requires that a student withdraw immediately from Vermilion Catholic. Expulsion is the most serious form of disciplinary action at Vermilion Catholic. Procedures for expulsion are available from the Principal.

Appeal Process

When the parent of a student believes that a rule, regulation or policy has been violated, misapplied or misrepresented, and that person has not had the problem satisfactorily resolved at the school, an appeal may be made to the Pastor. If, after review by the Pastor, the complainant still believes the issue is not satisfactorily resolved, an appeal may be made to the Diocesan School Board. Procedures for the appeal process may be obtained from the Principal.

Substance Abuse Testing Policy

It is the policy of Vermilion Catholic to take all precautions necessary to ensure that students will be accorded every reasonable health and safety measure. Since the mid to late 1980's, discipline problems have accelerated, athletes have suffered increased injuries, and school officials have noticed that students and athletes have begun to glorify the drug culture. Vermilion Catholic intends to ensure the optimum health and safety for our students through a substance abuse testing program.

The purpose of this program is not to invade the privacy of the student, but rather to bring to the surface a potential health and safety problem. This would include any controlled substance dependency or usage of illegal substances that would be counter-productive to the health and safety of our students. This policy was formed to detect and DETER substances of abuse and thus ensure the safety of all students in our school.

All members and employees of Vermilion Catholic, faculty, administration, auxiliary staff, school board members and students will be subject to periodic drug screen testing. Each student will undergo one or more drug screen tests to ascertain the presence of controlled substances. The tests will be strictly

VERMILION CATHOLIC

a legacy of Mount Carmel

enforced, and participation will be mandatory since the parent/guardian has freely chosen to allow his/her child to attend Vermilion Catholic. By signing the “Substance Abuse/Misuse Contract and Consent Form”, the parent/guardian and student acknowledge that they have consented to the administration of the tests and waive any claim of invasion of privacy and any objection to the furtherance of this program. The refusal of a student to submit to a requested search or a drug screen will result in the student’s dismissal from Vermilion Catholic.

Initial testing is paid for by Vermilion Catholic and conducted in accordance with recommendations made by the Substance Abuse and Mental Health Services Administration (SAMHSA) of the United States Department of Health and Human Services. A drug test screen will be collected using the established protocols and submitted for processing. According to SAMHSA standards, two tests will be performed on the specimen. The test will be used to detect the following: AMPHETAMINES, BARBITURATES, METAB, BENZOYLECGONINE-COCAINE, BENZODIAZEPINES, ETHANOL, METHADONE, OPIATES, PHENCYCLIDINE (PCP), PROPOXYPHENE, AND MARIJUANA. The confirmation test is performed using Gas Chromatography/Mass Spectrometry, the recommended method of courts and scientists.

The results of the tests will be kept strictly confidential in the principal’s office, and the student will be allowed to indicate if he or she has been taking any prescription medication prior to the test. The parent/guardian of a student who yields a positive test result will be notified within 24 hours of the Laboratory results being recovered. A meeting time will be set up for a conference between an Administrator, Parent/Guardian, and student to discuss the findings.

Routine urinalysis drug testing will take place during the school year. Any student who attempts to circumvent the drug testing process, interfere with the process, or assist another student in doing the same shall be subject to disciplinary actions that may include suspension and/or expulsion. Any student who tests positive for the first time will be called into a parent/administrator meeting and will be suspended for three days. Students may also lose privileges such as but not limited to: participation in extracurricular activities, athletic participation, and attending school events. A retest will be conducted 35 days from notification of a positive test at the parents’ expense. The student will be required to undergo assessment by a qualified counselor, at parent expense, within a set period of time. Failure to follow through will be construed as a second positive test. Any student who has a second positive test within one calendar year of the first positive test will be dismissed from Vermilion Catholic.

It is imperative to note that these procedures are only to be used for the appearance of non-apparent controlled substances. Consequently, if a student apprehended by anyone as a result of being in illegal possession of alcohol and/or a controlled substance, the regular school disciplinary policies will apply.

Policy on Searches

All members and employees of Vermilion Catholic faculty, administration, auxiliary staff, School Board members and students will be subject to periodic searches. Entry into or upon any vehicle, offices, grounds or facilities of the school by any person is conditioned upon the school's right to search the person, personal effects and vehicles of any entrant for illicit or controlled drugs, drug-related

VERMILION CATHOLIC

paraphernalia, intoxicating beverages, firearms or weapons, or possession of unauthorized property or equipment.

Searches may include the person, personal effects, lockers, desks, offices, vehicles or any vehicle being used for school purposes, personal baggage or any other item on school premises. In addition, surveillance cameras can be used to provide a safe and healthy environment as well as metal detecting devices. Contraband items shall be taken into custody. When such a search finds a person subject to these policies to be in possession of a contraband item, that person shall be considered in violation of these policies. Parents and the police will be notified.

Any student subject to these policies who has been determined to use, possess or sell or distribute illegal drugs, drug related paraphernalia, controlled substances, on or off campus, or to be in possession of firearms or weapons on campus, or to have possessed prescribed drugs of another person, or who possessed any drug that is not properly identified or in a proper container, or who possessed "Look-Alike" or "Designer" drugs shall be subject to disciplinary action.

The principal is further authorized to solicit and provide for periodic use of trained animals in the search for or detection of illicit drugs. In the event that such an animal should detect or indicate the presence of such substances, then the principal (or designate) shall be authorized to demand all students in the area of the detection to display or otherwise exhibit the contents of the affected area.

Use of the parking facilities provided by the school and exercise of the privilege of parking on the premises by the students constitutes an implied consent to have said automobile periodically and reasonably searched or inspected for the purpose of detecting the presence of drugs or other unauthorized material.

The above policies shall likewise apply to any function (social, educational, or other) held upon the grounds of the school and sponsored by the school or any student organization.

Dishonesty

Students who are guilty of or involved in falsification of faculty, staff signatures, transcripts, letters of recommendation, college/university applications, or school documents, are subject to disciplinary action. Any student who is guilty of a school violation and fails to admit wrongdoing is subject to being suspended or expelled.

Disrespect

Any student who displays disrespect to any legitimate authority or staff member at Vermilion Catholic will be disciplined appropriately by the administration and may include suspension or expulsion.

Fighting

Fighting is a serious offense at Vermilion Catholic and may result in suspension or expulsion. Fighting is defined as an act of aggression when alternatives are available for avoiding such an act. Any student striking another student will be disciplined. Any student returning a strike may also be disciplined.

Firearms/Weapons

La. R.S. 14:95.2 creates the crime of carrying a firearm by a student or non-student on school property and mandates that school officials notify all students and parents of the impact of the legislation at each major point of entry to the school.

La. R.S. 14:2 creates the crime of carrying of a firearm or dangerous weapon (such as knives, clubs, gas, liquid or other substance or instrumentality), which, in the manner used, is calculated or likely to produce death or great bodily harm by a student or non-student on school property. The crime is defined as the intentional possession of any firearm by any student or non-student on a school campus or on a school bus during regular school hours. Whoever is convicted of the crime of carrying a firearm on school property or on a school bus is subject to a maximum penalty of imprisonment at hard labor for not more than five (5) years.

The law exempts from its provisions a federal, state, or local law enforcement officer. Violations of firearms policy will result in expulsion and possible criminal prosecution.

The law prohibits possession of a firearm or dangerous weapon not only on school property or within 1,000 feet of the school's property or on a school bus, but also at any school sponsored function in a specific designated area including but not limited to athletic competitions, dances, parties or any extra-curricular activities.

The law specifically mandates that when a principal or other school official detains a student for violation of R.S. 14:95.2, and the principal confiscates or seizes a dangerous weapon from a student while a student is on school property or at a school function, or on a school bus, the principal or other school official must immediately report the detention or seizure to the appropriate law enforcement authority, and notify the student's parents if he/she is detained for any of the above.

Harassment

Each person has inherent dignity and individuality. Thus, any student found engaged in harassing or demeaning another student or teacher will be disciplined, even when that harassment takes place outside of school hours such as via social media. Harassment is not limited to but includes constant teasing or embarrassment of a student by a fellow student.

Language (Obscene/Vulgar/Gestures)

The use of obscene/vulgar gestures/language (either spoken or written) is prohibited. The administration will not tolerate inappropriate language in the classroom, on the campus, or at school functions. Students using this disrespectful language will be disciplined.

Threats of Violence

Because safety in our schools is of utmost importance and one of our top priorities, when informed of possible violence or even threats of violence, the school administration will take this information seriously. This is a no tolerance policy for dealing with and addressing not only real threats of violence but also those that may be considered frivolous. Even frivolous threats can disrupt the operation of the school. The school administration will immediately contact the appropriate civil authorities, the sheriff's office or local law enforcement agency and follow their directives.

VERMILION CATHOLIC

Smoking and Tobacco Products

Smoking, vaporizers, possession and/or the use of smokeless tobacco, or any age restricted substances are strictly prohibited on the school property or at any school-related activity. Students who are caught smoking and/or vaping on campus or with the possession of tobacco/nicotine products on campus or at any school related activity will be suspended. In accordance with the Louisiana Smoke-Free Air Act (Act 815), smoking is not allowed on campus or at any school function.

Stealing/Possession of Stolen Property

Stealing, or the possession of stolen property, will be subject to disciplinary action which may include: suspension/expulsion or referral to the appropriate law enforcement agency or both.

Unwed Pregnancies

The Catechism of the Catholic Church reaffirms the teaching of Christ regarding chastity in stating “All the baptized are called to chastity. The Christian has ‘put on Christ’, the model for all chastity. All Christ’s faithful are called to lead a chaste life in keeping with their particular state of life.” As we continue to form young men and women in their baptismal commitments through Catholic education, each educator within our school system should take an active part in teaching the virtue of chastity. When a student or unmarried faculty member has not lived according to the virtue of chastity and the sexual act results in an unwed pregnancy, the clergy and the principal are to counsel and offer pastoral care to those involved. Counseling should include the added responsibilities of the new parents, which will arise with the birth of the child(ren). Multiple unwed pregnancies by any VC faculty, staff or student may result in dismissal from school.

While pre-marital sex is wrong, the pregnancy is a gift from God and unless the sex act occurs on campus or at a school-sponsored event, students may not be penalized or punished by the school. Female students who become pregnant may continue their education on campus unless her own physical, spiritual or psychological state requires at least temporary withdrawal and the beginning of a course of home study. As one major concern is for the health and safety of the pregnant girl while attending school, the student shall furnish a Pregnancy Status Report to the principal as soon as the pregnancy is confirmed and then at least every six weeks thereafter. If this form is not completed or if it is not submitted within the time frame set forth, then the principal may consult the appropriate people and then take whatever action is deemed suitable to ensure that the health and safety of the young lady involved is protected.

Technology Policies & Procedures

Acceptable Use Policy

Vermilion Catholic is committed to student use of technology as a tool to expand learning opportunities and conduct scholarly research. The use of technology facilitates global collaboration-- a vital skill for our 21st-century learners. Students at VC utilize chromebooks on a wireless network. Chromebooks and campus computers are strictly for educational use consistent with the educational goals of Vermilion Catholic. Along with the opportunity this provides comes responsibility. This Acceptable Use Policy is designed to give students and their family clear and concise guidelines regarding the appropriate use of laptops as well as other computers on the Vermilion Catholic campus. The underlying premise of this policy is that all members of the Vermilion Catholic community must uphold the values of honesty and integrity. Theology Department Requirements

It has always been the tradition at Vermilion Catholic to develop a faith community of love and compassion in an environment of Christian values, to provide Sacramental encounters with Jesus, and to nurture relationships in light of Catholicism. In addition to the curriculum, a variety of events and opportunities throughout each year execute this goal and enable our students to both learn and serve Christ. We take great care in forming our students with the following standards and expectations.

Liturgical Celebrations

Student Conduct

In order to establish a reflective and reverent mood, each student is to enter the area of the liturgical event in silence and maintain silence until the celebration begins. A student is expected to participate in the singing and appropriate congregational responses; and, when appropriate, to give full and silent attention to the actions of the celebration. Continuous disruptions will result in more severe consequences. *Adherence to uniform regulations are required at all school Masses and other liturgical celebrations.*

Upper and Middle School Mass and Attendance

Upper/Middle School Masses are held weekly at St. Mary Magdalen or on campus. Students are required to attend all school Masses, and each student will earn a ten (10) point Theology participation grade for each Mass which includes attendance and a reflection on the liturgy. All students are allowed 1 excused or unexcused absence per quarter without a penalty. After the first absence, a 0 will be given.

When attending Mass at the Church, students are expected to be at church before 7:30 a.m. and to check in with a Theology teacher or assigned staff member in their assigned entrance of the church. It is the student's responsibility to check in with the proper teacher in order to obtain credit for that Mass. The roster from mass will be used as the official copy for credit points. These rosters will be kept on file if questions arise.

Late arrival not only disrupts the pastor but all who are engaged in the liturgy. Students will not receive partial credit for arriving late and will receive a 0 for that Mass. Points can/will also be deducted for inappropriate behavior during Mass (talking, sleeping, etc.) or being in the incorrect Mass uniform. Late arrivals for Mass must enter through the main center entrance of the church and will be required to check-in with the Dean of Students or the individual assigned to check students in. Student tardies or unexcused late arrivals for mass will result in consequence.

Lower School Mass and Attendance

Lower School Masses are held on designated mornings in the Lower School gym at 7:45 a.m. Since great priority is placed on the celebration of the Eucharist, students are required to attend. We discourage students from scheduling other appointments during this time.

VERMILION CATHOLIC

a legacy of Mount Carmel

All School Mass

All students in grades PreK through 12 will attend Masses together in the upper school gym or St. Mary Magdalen Catholic Church. Expectations, attendance, and uniform regulations for all grade levels will apply.

Service/Devotional Hour Requirements

Apostolic Service Hours

The gospel mandate to serve is a central tenet of the Catholic faith. All students in grades 6 through 12 will have to complete a number of annual service hours appropriate to their grade levels.

Our 6th - 8th grade students will fulfill the obligations within the context of the school day under the guidance of their theology teachers.

Our 9th - 12th students will be expected to complete a set amount each nine weeks.

These requirements, along with the submission guidelines, will be included in each Theology teachers' classroom management plans and discussed in class.

For upper school, these hours will be completed outside of school and submitted for a grade by the conclusion of each nine weeks. All hours must be pre approved by the student's theology teacher. For the middle school students, these hours will be completed within the context of a school day on campus. Teaching service as a part of our curriculum is a necessary way to reinforce the idea that all Catholics are called to serve and helps to model this teaching as they grow and confirm as adults in our Church.

These Apostolic Service Hours should be both meaningful and effective toward teaching our students their Christian responsibility to serve others as Christ has served us. While we encourage our students to serve their family with generosity such as moving, lawn care, babysitting, etc., it is necessary that your official service opportunities be community-minded and not family obligations.

Devotional Hours

Along with service requirements, students will be expected to earn devotional hours during the school year. The purpose of our devotional hours is for students to make a personal effort to grow in their faith outside of required activities like Sunday mass. The goal of these hours is to build personal habits to allow themselves to grow in their prayer life and personal relationship with God.

Our 6th - 8th grade students will fulfill the obligations within the context of the school day under the guidance of their theology teachers.

Our 9th - 12th students will be expected to complete a set amount each nine weeks.

These hours are within the academic school year and can not be obtained during the summer. Required school religious activities (weekly school liturgies, etc) do not count as devotional hours. Optional activities sponsored by the school will count. These hours must be obtained within the 9 weeks time frame.

VERMILION CATHOLIC

a legacy of Mount Carmel

Examples include: holy hour in Adoration Chapel, praying the rosary (family or group) , Stations of the Cross, Lenten or Advent mission talks, weekday Mass (not school sponsored), optional retreats, etc.

Opportunities for service and devotional hours will be announced at school throughout the year. Documentation of hours and reflection paperwork will be required to fulfill grading requirements each nine weeks. These will be explained in further detail in each theology classroom at the beginning of the school year.

Retreats

Students are required to attend their grade level retreat. If they fail to do so, they will be required to complete another spiritual formation opportunity at the discretion of the Religion Administrator and/or Theology teacher.

Sacraments

Although Vermilion Catholic places great emphasis on our religious education program, the Church believes that parents who have bestowed life to their children are the primary religious educators and serve as Christian role models to their children. Ideally, all parents should lead their children into Sacramental encounters with Jesus regularly.

Students who are in the 2nd grade are encouraged to make their First Reconciliation and First Communion through his/her Church parish. The school will provide all of the names of the second graders enrolled in VC to St. Mary Magdalen Catholic Church. It will be the parents' responsibility to contact their own church parish for sacramental preparation and reception for their children. The students' pastor, not the school's administration, has the final decision regarding eligibility for the Sacraments.

Students should make their Sacrament of Confirmation through his/her Church parish. The school will provide all of the names of the students enrolled in VC to St. Mary Magdalen Catholic Church. It will be the parents' responsibility to contact their own church parish for sacramental preparation and reception for their children. The students' pastor, not the school's administration, has the final decision regarding eligibility for the Sacraments.

Through the Religion curriculum and other various formation opportunities, the school will work to further form and prepare the students for these Sacraments.
