VERMILION CATHOLIC

a legacy of Mount Carmel

In preparing for the 2024-2025 school year, all Student Activities, including athletics, have been reviewed in terms of our school's philosophy and core values. Our spirit squads, both cheer and dance, are part of athletics. This handbook was prepared to inform and align extracurricular activities in accordance with our school's mission, beliefs, and traditions of Vermilion Catholic, a legacy of Mount Carmel.

Athletics

The Athletics Philosophy is:

"To encourage as many students to play and participate as possible. To give all players a positive experience. To teach fundamentals through drills in a motivating and positive way. To build self esteem in all players. To teach young athletes a winning attitude through teamwork as well as how to accept losing. While Vermilion Catholic teams will always enter a contest with the intent of doing their best to win, coaches will try to play as many players as possible keeping the goal of winning in mind."

Vermilion Catholic is a member of the Louisiana High School Athletic Association. The school adheres to the rules and regulations of that body. An important aspect of the athletic program is good sportsmanship. In Louisiana, the home team is responsible for sportsmanship and conduct at its events. A school is also responsible for the action of its students and fans away from home. Misconduct, such as but not limited to: booing, fighting, obscene gestures, removing clothing or off-colored cheers will not be tolerated.

Requirements for Athletic Participation

In order to participate in any athletic activity, the following LHSAA requirements must be met:

1. Physical on the LHSAA form
2. Grade point average of 2.0 and passing 6 classes at midterm
3. Residency following LHSAA guidelines

Athletic Work Schedule

Each family is required to work one athletic event. Our school benefits from the proceeds raised from these events. A form will be sent at the beginning of the school year with each sport. You may then choose three sports that you would prefer to work. As each sporting season nears, you will receive an email to sign up for your top choices. If you do not sign up and work an event, a fee will be charged to your FACTS account at the end of the school year.

Participation in School-Sponsored Activities

In order to attend any after-school activity, students must check in to school by 9:00 a.m. In addition, students must also be present at school for at least half of the school day. Students not in good standing with the school may not be allowed to participate in school-sponsored activities. If a student has an "F" (failing grade) in a class, they are not excused for a school-sponsored activity.

School-Sponsored Trips

On any school trip, including those to and from athletic events, students must travel by the means of transportation provided by the school and must remain for the entire event. Parents should request an exception, in person or in writing, from the teacher, moderator, or coach prior to the event. School dress is required on any trip unless otherwise specified, and all appropriate

VERMILION CATHOLIC

a legacy of Mount Carmel

school regulations remain in effect. Any student embarking on a school sponsored trip must have an appropriate permission slip signed by parents, teachers, and moderators. The Administration and individual teachers reserve the right to deny students' requests for participation based on a student's academic and disciplinary record.

VERMILION CATHOLIC

a legacy of Mount Carmel

- Party buses are not allowed on campus.
- No student below the 9th grade will be admitted to high school dances. Students and their dates must be inside 30 minutes after the posted start time and may not leave the dance until the posted end time.
- Only Vermilion Catholic students in grades 6-8 may attend mixers for these grades. Ordinarily, these mixers are from 7:30 pm to 10:00 pm. Students must be inside by 8:00 pm and must remain until 10:00 pm.
- Students are subject to random Breathalyzer checks at all dances.

Dress Guidelines and Procedures

All dances at Vermilion Catholic are events that reflect the philosophy of the school and the teachings of the Catholic Church. Among the most important considerations is adherence to Church teachings regarding modesty. According to The Catechism of the Catholic Church, (CCC 2521), purity requires modesty. Modesty protects the intimate center of the person. It means refusing to unveil what should remain hidden. It is ordered to chastity to whose sensitivity it bears witness.

Modesty is decency. It inspires one's choice of clothing. It keeps silence or reserve where there is evident risk of unhealthy curiosity (CCC 2522). Teaching modesty to children and adolescents means awakening in them respect for the human person (CCC 2524). In accordance with these directives, Vermilion Catholic sets forth the specific dress guidelines and procedures for Vermilion Catholic students and their dates. According to Diocesan policy, dates must be of the opposite gender in order to attend the dance. These are communicated well in advance of the event so that participants have adequate time to adhere to expectations.

School Dance Policy

Students who attend dances at VC may arrive no later than 30 minutes after the start of the dance and must remain until its completion. Any exception must be cleared with the administration prior to the date of the dance. As the students arrive at the dance, girls' purses and boys' coats are searched for contraband items. Students will be randomly asked to submit to a Breathalyzer test. No eighth grade students and no persons over the age of 21 will be allowed to remain for the dance. Parents will be called for any student

VERMILION CATHOLIC

a legacy of Mount Carmel

who purchases a ticket for a dance and does not attend the dance to inform them that the student is not present. Since we are a Catholic school and stress modesty in dress, it is mandatory that students attending any dance should be modestly dressed in keeping with good Christian morals. If you are uncertain as to whether your dress is appropriate, please turn in a picture of yourself in the dress to an administrator before the dance for approval.

The following guidelines for dress **MUST** be used for all school dances:

Girls' Dress Code for Dances

- No backless dresses. Openings on the back are allowed, but the openings cannot go below the waist.
- No cleavage will be permitted. No deep "V" or deep sweetheart necklines allowed.
- No slits on sides, back, or front that go higher than 4 inches above the knee.
- No cut-outs on the front or sides of dresses. A thick material must be used as an underlay for transparent fabric.
- Dresses should not be too tight where they cannot walk with natural strides or where undergarment lines are clearly seen.
- Shoes should be comfortable enough to walk and dance in.
- Senior girls may wear strapless gowns for **Senior Prom** as long as the guidelines for necklines are followed. No cleavage, deep "V" or sweetheart necklines allowed.

Boys' Dress Code for Dances

Homecoming: Polo or collared dress shirt, dress pants, and dress shoes. T-shirts and tennis shoes are not allowed. Sports coats, tie, or bow tie are optional.

Prom: Tuxedo or suits recommended. Sports coats and slacks are permitted. All school rules apply at school dances. All students and attendees must adhere to school policies. Students and parents should be aware that the

VERMILION CATHOLIC

a legacy of Mount Carmel

drug and alcohol policy will be strictly enforced at dances. VC students are responsible for their dates' behavior and observances of school rules and dress while at the dance. All dates who are not students of Vermilion Catholic must have the appropriate permission slip completed and a pictured ID to be admitted to the dance.

Homecoming Sponsor Responsibilities

Specific details are given to the sophomore teacher sponsor.

Head Parent Responsibilities *(for all dances and student activities)*

The head parent is the “boss” essentially. They take control of organizing students and parents to help, preparing and arranging the decor, floorplan, food, set up committee, take down committee, and bringing the vision of the theme to life. They communicate directly with the parents, generate emails, google forms, and organize info to present at the parent meeting. They create the supply list and make sure it is given to the sponsor in a timely manner for things to be ordered. Delegation and the creation of sub-committees with their own responsibilities will make the job less stressful.

Frequently Asked Questions

You can get many answers from the mothers of the president and VP of the class who did it last year.

VERMILION CATHOLIC

Decorations

Who pays for this? Where do we order from? How much decorating is needed and expected? About how many tables and chairs are normally put out for these types of events? The backdrop or photo area...how big? Any recent pics from past events that we can see for ideas? etc?

Answer

Decorations are paid with the class funds. You can order from anywhere you want but we need to get approval using the school's purchase order form before they are ordered. Your class sponsor can make the orders for you. We have many decorations in storage from past dances that can be used. (see storage inventory Doc). The backdrop for photos is usually in the main hall in front of Jesus on the west wall (when the dance is in the upper gym). The backdrop just needs to be tall enough to make sure it is taller than our tallest students. We have a frame that is used for the backdrop (see below for sizes).

Photos of past dances are in the Homecoming folder and you can also check old yearbooks because they do have some from years past.

Photo Backdrop Frame Size: 6ft wide by 8ft tall (Labeled and stored in Mechanical room against back wall)

Main Backdrop Frame Size: There are six, 5 ft wide sections, so that you can make it anywhere from 5 ft wide to 30 ft wide. (Stored in Mechanical Room against back wall)

VERMILION CATHOLIC

a legacy of Mount Carmel

Time

When can we get in the gym and decorate? I would need to know this (exact day and times) in order to get parents to sign up and show up to help with the decoration process.

Answer: (Subject to change)

Your sponsor can determine this for you.

For Homecoming: Last year , we had the dance in the lower gym and it worked well because they could get in to decorate right after the HOCO pep rally which is Thursday til 2:45. The court platform was set up already and was put against the wall out of the way of the pep rally. The decorations from storage, etc. were in the hall by the cafeteria ready to be set up or in the stage area with Mrs. Elizabeth's permission (lower PE). Floor tarp is put down first. The photo backdrop for pictures was set up in the office area. Consider a photo booth because alot of them didn't see the photographer. The majority of the decorations were put up by that evening.

Ticket Sales/Price

How much should we be charging per ticket? Who sells the tickets? The kids...or do they buy from the office window with Ms. Kathy

Answer:

Price can be determined by the class officers. \$15.00 is reasonable.

Students sell tickets at lunch in the main hall beginning Monday of Sadie Hawkins but students can pay at the door.

Dance Length

What is the dance time?

Answer:

Time: 8:00-10:30 (subject to change) Court presentation begins at 7:30.

Concessions

Will we need to purchase concession items to sell during the dance? Do you have any guidance about what has been purchased in the past, how much?

VERMILION CATHOLIC

a legacy of Mount Carmel

Do we ask freshmen parents to sign up to donate these items (snacks, drinks) or will the school pay or provide?

Answer:

Parents usually provide light refreshments and water. Refreshments are usually individually wrapped - small bags of assorted chips, peppermints, have had brownies and cookies in the past that are not wrapped. Need napkins. Lots of bottled water! They don't eat much especially for dances when they dine out first.

Other

Can we ask freshmen parents for monetary donations to help pay for decorations??

Answer:

Usually we have parents who might help provide decorations from their homes. Freshmen are responsible for a student activity after the Christmas break

Chaperones

How many chaperones are needed for this type of event?

Answer:

We have several staff members who chaperone but we do need a few parents (6) to help with refreshments and help with supervision. We also have police security.
